

# NORTHERN MILL ENGINE SOCIETY

Reg Charity No 532259

Website: [www.nmes.org](http://www.nmes.org)

## APPLICATION FOR MEMBERSHIP

The Northern Mill Engine Society operates on an entirely volunteer basis to develop and operate a museum of stationary steam engines in Bolton. We are always pleased to hear of new members who share our enthusiasm for preserving something of our industrial heritage, especially in the field of textile history. If you feel that you would like to go further and work at the museum, please note that it is not important to have an engineering background.

## ABOUT GIFT AID

Since the Society is a registered charity we can claim back tax from the Inland Revenue (currently 25p for every £1) on any donations or other payments that you make through the Gift Aid scheme. This is of great benefit to the Society and we would ask you to consider this carefully since it costs you nothing.

There is no obligation to make payments each year - or indeed to make any further payments - but if you do, you do not need to make out another form. The only requirement of the scheme is that you pay sufficient Income or Capital Gains tax (at any rate) in the year to cover the amount we claim back on your payment. [Council tax or VAT do not qualify]. Should your circumstances change, you can cancel the arrangement at any time by contacting the Society.

## GIFT AID DECLARATION

*giftaid it*
